INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll.* Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Appln. #29464. April 21, 1908.

William T. Camp,

Cleveland, Tenn.

Sir:

In the application which you have filed for participation in the Eastern Cherokee fund, you state that your parents were enrolled in 1851, but you cannot tell where. Please state for what they were enrolled at that time?

Give the names of your grandparents on both sides and state whether any of them were ever enrolled?

Were any of your ancestors ever slaves? Were you ever a slave?

State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

FST/ELO.

#29464 Miscel.

Wm. T. Camp being first duly sworn, deposes and says:

That I am 60 years of age and live in Cleveland, Tenn. I claim my Indian descent through my father and his mother. I believe her name was Elizabeth Starnes. My father and grandmother were born and raised in Halifax Co., Va. They claimed to belong to the Cherokee Indian tribe. My father and grandmother never lived with the Indians that I know of. My father and his mother were enrolled in 1851 in Surry Co., N. C. I do not know what roll was being made up or what its object was. I don't know any one who knows about my grandmother and her being enrolled. My grandmother claimed to be a quarteroon. If my grandmother was enrolled it would be under the name of Camp. ~~Neither my father nor grandmother were on any Indian roll that I know of.~~ They were considered white people. I and my wife are recognized as white people. My father had a brother Thomas and a brother William. There were others but I don't know their names. Outside of my grandmother Starnes all the rest of my ancestors were white people. I was never enrolled myself. I am the youngest of 8 children. I had seven sisters - Mary Jane, Catherine, Mary Ann, Sarah, Julia and Martha. They all are dead; all died since the war except ~~four~~ three who died when they were small. None of my sisters were enrolled that I know of. I was born and raised in Monroe Co., Tenn. One or two of my sisters were born in Surry Co., N.C. but I don't know about the rest. My son's wife is a white woman. She has put in a claim for his children. Neither my father nor grandfather ever lived with the Indians.

To the Hon Guion Miller,

Special Commissioner, etc

Washington D. C.

Sir:-

I herewith enclose the applications of Miss Maggie Campbell and Mrs. Sarah Anne Guthrie for claims in Eastern Cherokee distribution.

In the Guthrie Claim I send picture of affiants father and mother, and from same it would seem that father is about as near full blood Cherokee as it is possible for them to be in the Eastern part of Tennessee, where Cherokee and Negroes for years, in the Western part of North Carolina and Holston and other mountains of the Appalachian range furnished the retreat for hundreds of runaway slaves who intermarried with the Cherokee Indians.

I have sent in a good many of these claims, also Judge Campbell, but I really do the work in all of them, but as to the exact standing of these people and what they have to show I have from the start been at a loss. We will also file more of these applications, as the fever has broken out in another quarter and I am having applications for blanks, and I will have to trouble you to send me some more of these blanks, for I suppose they all have a right to try and get a claim, whether they are successful or not.

If you can send me any further advice I will be obliged to you, and will thank you for more applications. Other claims will follow.

Yours very truly,

Harry Swan Jr

Dear Sir:- Your letter of recent date at hand. Replying to your query, will say I was not enrolled by the Dawes Commission for allotment of land, for reasons best known to them as they never made them known to me. They enrolled my mother Mary Alice Payne whose Enrollment No. is 30898 and allotment No. 10392 and a brother Silas D Payne whose Enrollment No is 30899 allotment No. 10393; and a Sister, Johnsanna McKelvy whose Enrollment No is 30909 & allotment No. 10395.

They also enrolled another sister Mrs LuEllen Guinn who lives at Tahlequah, do not know her Number also another brother William H Payne, I have not his number at hand, could get both if necessary. Dawes Commission has never returned my marriage Certificate - nor anything.

If you desire any evidence to substantiate the fact that Mary alice Payne or Alice Payne ne Nave, as it appears on her application I will be glad to furnish it.

These my nearest relatives are enjoying their rights and I hope that I and my ~~Children~~ may not be deprived of the heritage coming from our Grand Father, John Nave.

My application Number is 29488.

Very truly

Mr. Guion Miller,
Washington, D.C.

Dear Sir:- Yours of recent date received, and I will answer your questions as follows:

My name is the State of Arkansas, and moved to Indian Territory about 20 or 25 years ago, and it was held that we got into Ind. Territory too late. The case was referred to a Master by the Court at Muskogee, and he found that we were Cherokee Indians by blood, but I was informed that the court held "that the blood did not attach." My Grand Mother's Grand Father was allotted in the east before the Cherokees moved that at least he never came west, and he was allotted in the east. His name was John Thompson. My ancestors were "old Settlers" in the East, and we have lived here about 25 years.

Yours Truly.

John A. White being first duly sworn deposes and says:

I am 66 years old, or more, probably more, and I live at Noblesville, Ind. I claim my Indian blood through my mother Parthena Godfrey. My mother was born in Halifax County, N.C. She was about 70 years old at the time of her death, and she has been dead about 22 years. My mother was 18 years old when I was born, and I was born and raised down in N.C. My grandmother, Betsy Godfrey, left Halifax County, at the same time. The statement that I was born and raised in N.C. is a mistake, I was born in Wayne County, Ind. I remember seeing my grandmother when I was small, as far as I ever heard she was a full blooded Indian. My mother, Parthena, married a colored man. My grandfather, Zalaphint, and I do not know anything about him. I have heard my mother say that my great grandfather got his Indian blood from an Indian by the name of Pocahonta, and then his son was named Godfrey, and he had a daughter whom they called Parthena Godfrey, and Parthena Godfrey is my mother. My colored blood comes from my father, Denson White. I am a brother to John A. White, Joseph A. J. White, H. J. White, and Francis O'Neil.

Replying to your letter of September 10, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Thos. B. Welch being first duly sworn, deposes and says:

That I am 64 years of age. I claim my Indian descent through my father. My mother was a white woman, as far as I know, and my whitx wife is white. Don't know through which parent my father claimed his Indian descent. Wm. Welch, I think, was the name of my grandfather. Am not certain about this, however. I don't know where my father was born but think it was in N. C. , though I don't know what part of the state. Don't know when he was born. He died in the eighties sometime and was about 65 years of age. Don't know when my grandparents on my father's side died. Don't know where they died nor where they came from. My father said that he lived with the Indians in the Territory. He came from the east with the Indians when they moved them. That was in 1835. I have heard that my father was 1/2 Cherokee. Don't know whether he was living with the Indians or not when he died. My father was on the 1835 roll. If he was on any subsequent roll, I don't know of it. Never heard him say that he ever received any money or land from the government. I was never on any rolls myself. John E. Welch, a son of my father's brother - Richard Welch, lived at Tahlequah the last I heard of him. Don't know whether he has filed an application or not. Don't know whether Nick and Richard Welch, my father's brothers, ever came West or not. I made application to the Dawes Commission, but I never got anything from it. They said my name was not on the roll and they did not give me any show. Don't know anything about my grandparents. If my father had any sisters, I don't ~~x~~ know of them. I had a brother named John - younger than myself. My oldest sister, Mary Grace, knows the entire family history. I don't know much about it myself. I am recognized as a white man in the community.

I being my childrens Natural Guardian and I am supporting and educating them, I wish to ask if it will be necessary for me to get out Guardianship Papers in order to handle their money?

Kindly answer these two questions and oblige

Sir:-

Replying to your letter of August 19, 1907, you are advised that it will not be necessary for you to be legally appointed guardian of your minor children at the present time. If we find it is necessary at a later date you will be notified.

We cannot advise you just when when this fund will be paid, as the applications have not been taken up for final consideration.

As there are already over 35,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Jennie C. Steele being first duly sworn, deposes and says:

My name is Jennie C. Steele; I live at Stevenson, Ala.; I was born in 1824 in Lincoln Co., Tenn.; I claim Cherokee blood through my moth er and her father. My mother was born Nov. 11th, 1790 in South Caroline- don't know what part. We were recognized as white and indian mixed. My parents had left the indians when I was born; my mother said she was a quarteroon indian; she never lived with the indian tribe. My great grandmother was stolen by the indians when she was out milking the cows and was taken to the indian tribe by the indians- when she came back from the tribe she gave birth to a child which was my grandfather, John Thorp- mother's father. I don't know the name of the indian who was the father of my grandfather. Neither I nor my mother ever got any money from the government on account of our indian blood. We were never enrolled- never heard of it until lately; I never heard my mother say anything about the treaty which the government made with the indians in 1835. In 1851 I was living in Jackson Co., Ala.; my mother was living there also at that time. I never heard of any enrollment of the Cherokees at that time or in 1882; I was living in Jackson Co., Ala. at that time also.

September 4, 1907.

Sylvester Moore,

Fackler,

Alabama.

Sir:-

Replying to your letter of August 31, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

Eliza Jane Moore being first duly sworn, deposes and says:

My name is Eliza Jane Moore; I live at Fackler, Ala. I was born in Jackson Co., Ala. in 1846; I claim through my father but I don't know whether the blood comes through my father's father or his mother. Father always told me he was half indian. He died in 1860 and was about seventy-five years old when he died; he came from North Carolina and I reckon he was born there. I don't know anything about it except my daddy said he was part indian and other folks said he was; father came with a whole drove team of indians from North Carolina to Jasper, Tenn. and escaped from the indians there and came to this country and married my mother here. I never heard him say anything about taking any part in any tribal matters, councils, etc. I never heard him say whether he was living with the white people or the indians in North Caroline. His name was Henry Bruce- my father's name was.

I never heard of my father getting any money from the government on account of his indian blood; I never heard of his being enrolled with the Cherokees.

In 1851 father and I were living in Jackson Co., Ala. I don't know why we were not enrolled with the Cherokees at that time. I never heard of a treaty which the government made with the Cherokees in 1835 until this thing came up recently.

Father's mother's name was Rebecca Bruce, I don't know whether she was part indian or not.

There was not any indian blood on my mother's side. In 1882 I was living in Jackson Co., Ala.; I never heard of an enrollment of the Cherokees at that time.

Vira Mashburn, after being first duly sworn, deposes and says:

I am 38 years of age; was born in Graham County, N.C. I claim Indian blood through my father. My father was not a full blood but his great grandmother was said to be a full blood Cherokee. I first heard that I had Indian blood when I was small. My father told me. He did not live with the Indians nor talk the Indian language. He never received any Indian money and never tried to get any. My grandmother, Mary Thompson, was the Indian. I never saw her. Twenty-five years ago I lived in Graham County. I do not remember hearing of Lester, the agent who was enrolling the Indians. I cannot say if my grandmother, Mary Thompson, lived with the Indians. None of my relatives that I know of ever received any money from the government on account of their Indian blood. My father was a farmer. I never tried to get any Indian money before this time. Albert A. Mashburn's wife was my sister. Jule Mashburn is a son of Albert A. Mashburn. My father was a recognized white man and a voter.

Dear Sir:-

When the Kingsbury applications were filled out so much was forgotten by the younger ones that they did not give the information that they could give now so they have made investigations and can prove more beyond the shadow of a doubt that John B. Kingsbury was a full blooded Cherokee Indian doctor and practiced his profession in Greensboro N.C. We/Cohn and found out since their applications or that same of their applications went in that by going to Greensboro

They can prove that John B. Kingsberry was so represented above by a number of good Citizens and I dont know but this fact may have been Sufficiently Set forth and proven by same applications this is the object of this letter we would like to know whether or not their Claims are supported by Sufficient proof to substantiate their Claim that they may have a chance to prove their Claim as I said the proof may be Sufficient

Sir:--

Your letter of August 25, 1907, relative to the applications filed by your wife and others for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

You are advised that the applications for participation in this fund have not been taken up for final consideration, and we cannot state at the present time whether or not these parties are entitled to share in this fund, or the amount each successful claiment will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with these claims the parties will be notified.
